

Homeopathic Medicinal Products Working Group (HMPWG)
Sixth List Entries of Stocks for which Homeopathic Use is justified

release to HMA 12.12.2017
deadline for comments 02.04.2018

Template for submission of comments on draft document

DISCUSSION IN THE SUBGROUP	24 October 2017
ADOPTION BY THE HMPWG for public consultation	06 December 2017
TRANSMISSION TO HMA for release for consultation	12 December 2017
DEADLINE FOR COMMENTS	2 April 2018

All instruction notes (in green) must be deleted before finalising the overview of comments.

Submission of comments on draft document

Table 1: Origin of comments

Sixth Draft List Entries of Stocks for which Homeopathic Use is Justified

Released for public consultation on 12 December 2017 until 2 April 2018

Organisation or individual	Contact details (e-mail address, telephone number, name of contact person)
ECHAMP EEIG. – European Coalition on Homeopathic and Anthroposophic Medicinal Products	Rue Washington 40 B-1050 Brussels 32 2 649 94 40 amandine.oset@echamp.eu

Interested parties are invited to send
comments together with a copy of the cited references.

This will facilitate the assessment of comments, suggestions and corresponding justifications.

When the reference consists of a book chapter, the copy must include
the page of the book showing the year of publication.

Comments without copies of the supporting literature will not be considered.

Comments should be sent electronically and in Word format (not pdf).

Comments and the identity of the sender will be made public
unless a justified objection is received at the time of the submission.

Please submit comments on each document separately.

Table 2: Comments

GENERAL COMMENTS ON DRAFT DOCUMENT

Interested party	Comment and Rationale	Outcome
<i>Interested Party to insert its name or acronym.</i>	<i>Interested Party to insert one comment per row.</i>	<i>Leave blank (it will be completed by the Rapporteur).</i>
<i>Add rows as appropriate.</i>		

SPECIFIC COMMENTS ON TEXT

Section number and heading	Interested party	Comment and Rationale	Outcome
Adonis vernalis	ECHAMP	To be added in: <u>German name</u> Adonis vernalis ferm 33d <u>Pharmacopoeia for detailed definition of raw material</u> GHP	

Section number and heading	Interested party	Comment and Rationale	Outcome
		<p><u>Definition of the raw material</u> Fresh aerial parts of Adonis vernalis L., collected at flowering time</p> <p>See enclosed literature</p>	
Ailanthus altissima, Ailanthus glandulosa	ECHAMP	<p>To be amended in:</p> <p><u>Definition of the raw material</u> “...and blanches of Ailanthus altissima (Mill)...” should be “...and branches of Ailanthus altissima (Mill.)...”</p>	
Alchemilla vulgaris	ECHAMP	<p>To be amended in:</p> <p><u>Definition of the raw material</u> “... flowering plant of Alchemilla xanthochlora ...” should be “... flowering plant Alchemilla xanthochlora ...”</p>	
Anagallis arvensis	ECHAMP	<p>To be amended in:</p> <p><u>Definition of the raw material</u> “...plant of Anagallis arvensis L.” should be “...plant Anagallis arvensis L.”</p>	
Argentum colloidal	ECHAMP	<p>To be shifted: “Argentum colloidal” from “French name” to “German name” (no FP)</p>	
Badiaga	ECHAMP	<p>To be added in:</p> <p><u>German name</u> Spongilla lacustris, Badiaga</p>	

Section number and heading	Interested party	Comment and Rationale	Outcome
		<p><u>Pharmacopoeia for detailed definition of raw material</u> GHP</p> <p><u>Definition of the raw material</u> /Dried species of Spongilla lacustris L. collected in autumn</p> <p><u>Comment/Rationale</u> As the substance is described in GHP, we ask to amend it.</p>	
Bismutum metallicum	ECHAMP	<p>To be taken out of:</p> <p><u>French name</u></p> <p><u>Comment/Rationale</u> The reference is only GHP</p>	
Boldi folium	ECHAMP	<p>To be amended in:</p> <p><u>German name</u> "Peumus boldus, Boldo" instead of "Peumus boldo, Boldo"</p>	
Ceanothus americanus recens, Ceanothus recens and Ceanothus americanus siccum, Ceanothus	ECHAMP	<p>To be amended in:</p> <p><u>French name</u> "Ceanothus" instead of "Ceanothus"</p>	
Chimaphila umbellata, Pyrola umbellata	ECHAMP	<p>To be amended in:</p> <p><u>Definition of raw material</u></p>	

Section number and heading	Interested party	Comment and Rationale	Outcome
		"W.P.C. Barton" instead of "W.P C Barton"	
Codeinum monohydricum	ECHAMP	To be shifted: Shift "French name" and "German name"	
Harpagophyti radix	ECHAMP	To be amended in: <u>Pharmacopoeia for detailed definition of raw material</u> "Ph. Eur. 1095 (FP/GHP)" instead of "Ph. 1095 (FP/GHP)"	
Hyacinthoides non-scripta, Agraphis nutans	ECHAMP	To be added in: <u>Pharmacopoeia for detailed definition of raw material</u> German tradition <u>Comment/Rationale</u> Pharmacopoeia for detailed definition is missing, we ask to amend it.	
Mangani sulfas monohydricum	ECHAMP	To be added in: <u>Pharmacopoeia for detailed definition of raw material</u> A space between "Ph." and "Eur."	
Mercurialis perennis 2b	ECHAMP	To be added in: <u>German name</u> Mercurialis perennis ferm 34c <u>Definition of the raw material</u> Fresh aerial parts of Mercurialis perennis L., collected at flowering time See enclosed literature	

Section number and heading	Interested party	Comment and Rationale	Outcome
<p>Remark:</p> <p>Information is needed to justify the homeopathic use of the different stocks:</p>	ECHAMP	<p><u>Berberis vulgaris e fructibus (GHP):</u> References: see enclosed literature</p> <p><u>Hamamelis virginiana ex cortice summitatibusque</u> Pharmacopoeia for detailed definition of raw material: GHP Definition of the raw material: Mixture of one part of fresh bark from the branches and two parts of tips of fresh twigs of Hamamelis virginiana L. References: see enclosed literature</p> <p><u>Helianthus tuberosus</u> Pharmacopoeia for detailed definition of raw material: GHP Definition of the raw material: Fresh tubers of Helianthus tuberosus L. collected in late autumn. References: see enclosed literature</p> <p><u>Valeriana officinalis recens (FP):</u> Fresh or dried root are being used (see enclosed concerned literature)</p>	
<p>Stibium sulfuratum aurantiacum, Antimonium sulfuratum</p>	ECHAMP	<p>To be added in:</p> <p><u>German name</u> “Stibium sulfuratum aurantiacum, Antimonium sulfuratum aurantiacum” instead of “Stibium sulfuratum aurantiacum, Antimonium sulfurat”</p>	
<p>Thlaspi bursa-pastoris, Capsella bursa-pastoris</p>	ECHAMP	<p>To be amended in:</p> <p><u>Definition of raw material</u> “Capsella bursa-pastoris (L.) Medik.” instead of “Capsella bursapastoris (L.) Medikus.”</p>	
<p>Triticum repens, Agropyrum repens</p>	ECHAMP	<p>To be added in:</p> <p><u>French name</u> Elymus repens</p>	

Section number and heading	Interested party	Comment and Rationale	Outcome
Vinca minor	ECHAMP	To be amended in: <u>Pharmacopoeia for detailed definition of raw material</u> "GHP" instead of "GHB"	
Verbascum densiflorum, Verbascum, Verbascum thapsiforme	ECHAMP	Verbascum thapsiforme is not mentioned in GHP (but in the German Commission D as synonym of Verbascum). How to handle?	
Veronicastrum virginicum, Leptandra, Veronica	ECHAMP	To be added in: <u>German name</u> We suggest adding Veronica virginica	
Whole document	ECHAMP	To be replaced: "O" for oxygen instead of "0" (zero) in chemical formulas.	
Whole document	ECHAMP	Uniform handling suggested: depict FP/GHP generally together in one line or generally separated in two lines	
Whole document	ECHAMP	In the monographs is no period at the end of the definition of the raw material. Please omit it.	
Zingiber officinale, Zingiber	ECHAMP	To be added in: <u>Definition of the raw material</u> ...wide flat surface only <u>Comment/Rationale</u> Last words of description Ph. Eur. are missing, we ask to amend it.
